The screenshot displays the Fleet In Form software interface. At the top left, there is a navigation menu with buttons for HR, Clients, Products, Tractors, Trailers, and Tyres. The main area features a table with columns for Registration, Fleet ID, Odometer, Mileage, Consumption, Delivered, Services Due, Licenses Due, Status, and Profit Status. Two rows of data are visible. On the right side, a 'Products' sidebar is open, showing a list of products: 19mm Stone, CCA Pole 6m 150/200, and Sephaki Cement. An orange arrow points from the 'Sephaki Cement' entry in the sidebar to the 'Consumption' column of the second row in the table.
